CREW WHO'S WHO

Samantha Arnold

Stage Manager

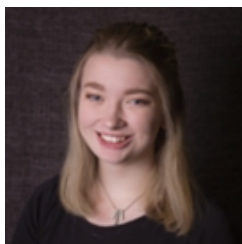

Samantha Arnold is bitter sweet about her last Sam Barlow production. She is glad to be stage manager for Lend Me A Tenor and had been backstage for 5 Barlow shows and onstage for 1. After graduation she will be continuing onto Oregon State University where she will study animal science along with a double degree in education. She would like to thank her sister Alanis for helping her learn how to stage manage, she feels this is a great send off to her high school career as this same show was the first her sister stage managed and this will be the last she gets to manage at Barlow.

Jaclyn Jimison

Assistant Stage Manager

Jaclyn Jimison is ecstatic to be assistant stage manager for Lend Me A Tenor! She has done many productions with Sam Barlow including acting in Joseph and the Amazing Technicolor Dreamcoat, Grease, Miracle Worker, and Guys and Dolls and crew for Steel Magnolias, David and Lisa, and Miracle Worker. She also did crew for Orient Musical Experience's production of Honk! Jaclyn would like to thank everyone involved with the Sam Barlow Theatre Department, including the honorary Barlow kids, and especially her best friend, Lexi Cheney, who is starring in her first lead role, for all of her support. Jaclyn truly hopes you will enjoy the final product, the result of so much hard work and effort.

Meghan Gibson

Sound Designer

Meghan is delighted to finish her high school career with such a fun cast and crew! This will be her 15th time on tech, and 9th show to design. Some of her notable works include sound for Grease, Guys and Dolls, and The Miracle Worker and lights for Annie, Peter Pan, Honk, and Aladdin. Meghan will be moving to Salt Lake City this fall to study lighting design and plans to pursue it as a career. Meghan would like to thank her family, Thespian Council, Mr and Mrs Schroeder, Ryan Zirk, and everyone else who has influenced her time in theatre. While she's sad to leave Barlow, she's excited to see what all her friends have in store with their own paths through life.

CREW WHO'S WHO

Savannah Hamilton

Lighting Engineer

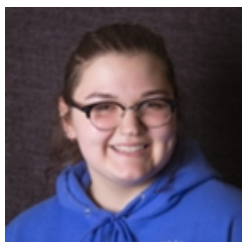

Savannah Hamilton is so excited to be helping out in her second Barlow performance, Lend Me a Tenor. Her first included being the sound assistant for the musical hit, Guys and Dolls. She would like to thank her mom, dad, and sister for being so supportive. She would also like to thank Meghan Gibson and Mr. Schroeder for being so welcoming and helpful in her start of her theatre engagement.

Sabrina Radford

Sound Effects Engineer

Sabrina Radford is very happy to do sound effects for Lend Me a Tenor! She has do spot lights for Guys and Dolls. Sabrina would like to thank all my friends that have encouraged me to be more out going and have fun and Mr. Schroeder for believe that I have potential. Sabrina is going to work hard and have a lot of fun.

Hannah Knoll

Make-Up Design

Hannah is very happy to be apart of this show. Hannah has been involved in 6 shows at barlow (including this one) since her freshman year! She has done tech for 3 and onstage for 3. Hannah would like to thank her family for the constant support of her theatre goals and achievements. She would also like to thank Mr. Schroeder and Linda, she wouldn't know what to do without them!

Lacey Elwood

Make-up Assistant

Lacey is extremely excited to be apart of her first and unfortunately last show at Barlow. Since this is her first show she hasn't had any experience with theatre but she has had experience with doing makeup and she can't wait for everyone to see her work!

Alyssa Kasbashian

Alyssa Kasbashian is extremely excited to be a part of the production of Lend Me A Tenor! Alyssa has been a part of three other shows, and as a senior this will be her last show with Barlow. Alyssa would love to thank the Schroeder family for all the support and encouragement they have given. Life would not have been the same without them!

CREW WHO'S WHO

Mariah Nuttall

Mariah Nuttall is thrilled to working with this marvelous production of Lend Me a Tenor! This is her last show at Barlow. Previously, Mariah has appeared onstage in other Barlow productions of Guys and Dolls, Grease, and Joseph and the Amazing Technicolor Dreamcoat, but is excited to see this production from the technical side. She would like to express her appreciation for everyone involved in this production, especially her fellow techies, actor friends, and Mr. Schroeder for making this these last few years unforgettable!

Autumn Pinkston

Autumn Pinkston is so excited to help out in one last show before she graduates. She has done crew for 6 previous shows at Barlow, and was onstage for 1 her freshman year, she still can't believe the opportunities and fun she has had in theatre the last four years and wants to thank her director Mr. Schroeder. She hopes to stay involved in the theatre world in her future and would like to also thank her parents and sisters for supporting her.
